

Radiant Hands Inc. had a busy 2012 with the warm clothing drive, fall arts festival, picnics at Westside Park, at the masjid in Ocala and a special presentation of Ebru art at the Unitarian Universalist Fellowship in April. We didn't hold an annual dinner this year; instead we requested previous supporters and attendees to consider donating the money directly, so that more families could be served.

Special recognition must go to Aqeela Afzal and her family who came to Gainesville just to participate in the Fall Arts Festival at our henna booth. The weather was fantastic and the event was well received.

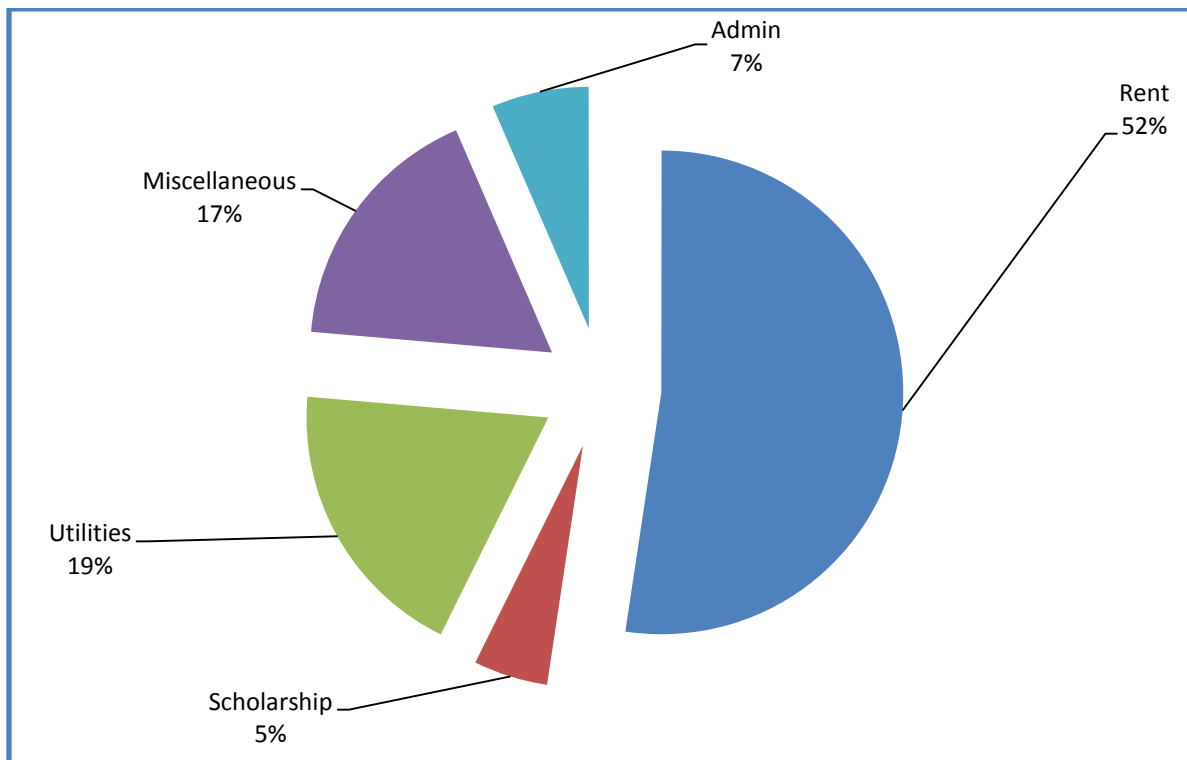

In 2012 Radiant Hands was approved to be part of the University of Florida Campaign for Charities, where UF/Shands employees can direct donations to Radiant Hands through payroll deduction. We have also been fortunate to have increased participation in automatic donations thus making it easier for individuals to participate.

Each year through individual donations, Radiant Hands has been able to help more people in the community and we hope that 2013 is no different.

Annual Statement

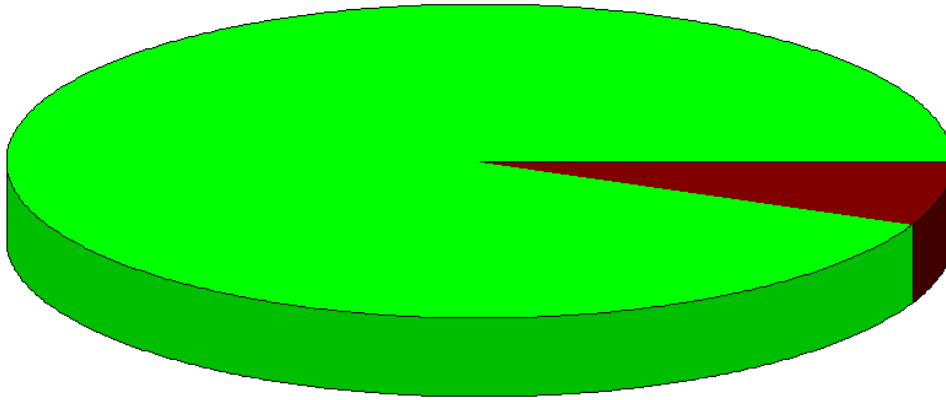

Total Income:	\$32,174
Distribution to Families	\$26,165
