### **Recent Testimonial**

*It has been great pleasure to work with an organization that helps strengthen our community. I have had the pleasure of working with [Radiant Hands]. She was extremely professional and her main goal was to make sure we aided the individual in need as soon as possible. The organization and their representatives have followed up on the family to make sure mom and baby are both healthy. Furthermore, I was extremely shocked at the turnaround time for the services offered. Thank you for servicing our community. Thank you for giving me the tools needed to aid this mother, a head of household to a family of six. This help definitely made for a smoother recovery. It alleviated a lot of her emotional anguish.
